

Technical drawing of a window blind profile. The profile is shown in cross-section, revealing two internal components. The first component, labeled RAL9007, is a roller with three rings. The second component, labeled RAL9006, is a curved arm with mounting holes. The profile is shown in a perspective view, with the roller and arm positioned within the profile.

Technical drawing of a long, narrow rectangular object, likely a cabinet or drawer, shown in perspective. The object is white with a dark frame. The text "RAL9006" is printed on the right side of the front panel.

Technical drawing showing the front view of the RAL 9006 color calibration target. The target features a series of color patches arranged in a grid, labeled "RAL 9006". Dimensions are indicated: a width of 135 mm and a height of 104 mm.
