

Technical drawing of a mechanical part, likely a cross-section of a container or vessel. The drawing shows a thick black outline representing the main body, with a dashed line indicating an internal feature or a different material layer. The top edge is rounded. The drawing includes two dimension lines: a horizontal one at the top labeled (60) and a vertical one on the right labeled (200). The bottom of the part features a complex, multi-ported structure with a central vertical outlet and several side ports.
