

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions and tolerances. The drawing includes a cross-section view with a central cavity. Key dimensions and tolerances are: overall width 75 ± 0.4 , overall height 51, and a central cavity width of 26. Surface finish requirements are specified as 0.5 A for the top surface and 0.3 for the inner cavity surface. Part numbers 284763, 284790, 461420, and 461430 are indicated.

The drawing shows a cross-sectional view of a mechanical assembly. On the left is a large, complex structure with a vertical plate and a horizontal base. On the right is another large structure with a vertical plate and a horizontal base. In the center, a smaller component is shown in cross-section, featuring a central rectangular block with internal details and a flange on the left. The entire assembly is supported by a common base.
