

The technical drawing consists of two parts:

- Left Part:** A side-view cross-section of a machine head assembly. It shows a large vertical frame on the left, a central horizontal shaft or roller assembly, and various mounting brackets and fasteners.
- Right Part:** A detailed schematic of the roller arrangement.
 - Isomat 3:** A rectangular box containing a grid of points labeled A1, A2, A3, A4, F1, and F2. The points are arranged in two rows: A3, A1, F1 in the top row and A4, A2, F2 in the bottom row. Dashed lines connect corresponding points between the two rows (A3-A4, A1-A2, F1-F2).
 - Durchlauf-direction:** An arrow pointing to the right, indicating the direction of travel.
 - Isomat 4/5:** A horizontal sequence of points numbered 1 through 14 from right to left. Points 9, 10, 11, 12, and 13 have vertical bars above them, representing rollers. Point 14 has a dot above it, representing a pressure roller.
 - Legend:** A dot symbol followed by the text "Andruckwalze".
 - Note:** "(Pos. 8 u. 14 nur im Isomat 4)" indicates that positions 8 and 14 are only present in the Isomat 4 configuration.
