

The technical drawing consists of three parts:

- Left View:** A side elevation of a machine. It features a large, angled frame on the left, a central component with a grid-like structure, and a vertical assembly on the right. A horizontal line at the bottom indicates the base.
- Top View (Isomet 3):** A plan view showing a rectangular layout. It includes a grid of points labeled A1, A2, A3, A4, F1, and F2. A horizontal arrow labeled "Durchlauf-richtung" (Direction of travel) points to the left.
- Bottom View (Isomet 4/5):** A plan view showing a horizontal sequence of points numbered 1 through 14. The points are arranged in two rows. The top row has points 14, 13, 12, 11, 10, and 9. The bottom row has points 8, 7, 6, 5, 4, 3, 2, and 1. A vertical line is drawn between points 6 and 7, and another between points 12 and 13. A legend indicates that a solid dot represents the "Andruckwalze" (Pressure roller).
