

A technical drawing showing a side view of a machine tool setup. A workpiece, which is a rectangular block with a central slot and a smaller rectangular feature on its top surface, is mounted on a horizontal base. The workpiece is positioned between two vertical supports or guides. The left support has a horizontal arm extending towards the workpiece. The right support has a vertical rod passing through it, with a horizontal plate or guide at the top. The entire setup is mounted on a common base.
