

The technical drawing on the left shows a side view of a printing press section. It includes a large frame, a central printing unit with rollers, and various adjustment mechanisms. To the right of the drawing are two diagrams: 'Isomat 3' and 'Isomat 4/5'. 'Isomat 3' is a 2x3 grid of points labeled A3, A1, F1, A4, A2, and F2. 'Isomat 4/5' is a horizontal line with 14 points numbered 1 to 14. A legend indicates that a black dot represents the 'Andruckwalze' (impression roller) and a white dot represents the 'Durchlauf-richtung' (direction of travel). The text '(Pos. 8 u. 14 nur im Isomat 4)' is at the bottom right.
