A

A technical drawing showing a side view of a machine tool setup. A workpiece, which is a rectangular block with a central octagonal hole, is mounted on a horizontal table. The workpiece is held in place by two clamps on its top surface. A vertical measuring arm is positioned to the left of the workpiece, and a vertical support structure is to the right. The entire setup is mounted on a base.

A diagram showing a 2x3 grid of nodes. The top row contains nodes labeled A3, A1, and F1 from left to right. The bottom row contains nodes labeled A4, A2, and F2 from left to right. Each node is represented by a circle with a cross inside. The nodes are connected by horizontal and vertical lines, forming a grid structure.

Isomat 4/5

- Rouleau sertissage

(Pos. 8 et 14 uniquement pour Isomat 4)
