

Technical drawing of a mechanical part with dimensions and tolerances:

- Top left feature: 72.5 ± 0.5
- Top right feature: 0.5
- Bottom left feature: 0.4
- Bottom right feature: 0.4
- Internal features: 224084 PT, 182350, 244218 PT, 347250

The diagram shows a cross-sectional view of a mechanical assembly. On the left, a large, curved housing or bellows structure is shown. In the center, there is a complex internal component, possibly a valve or a pump head, featuring a central shaft and various internal passages. To the right, another housing or structural component is visible, with a central shaft passing through it. The entire assembly is mounted on a base. The diagram is a technical line drawing with hatching used to indicate different materials or cross-sections.
