

Technical drawing of a roller conveyor system. The left part shows a side view of the conveyor with a motor and rollers. The right part shows a top view of the roller layout. The top view includes a grid of rollers labeled A1, A2, A3, A4, F1, F2. A legend indicates that a dot represents a 'Druckwalze' (pressure roller). The layout is divided into 'Isomat 3' and 'Isomat 4/5' sections. A note at the bottom states '(Pos. 8 u. 14 nur im Isomat 4)'.
