

Technical drawing of a cross-section of a mechanical part. The drawing includes the following features:

- Top Left:** A box containing the text **// 0.5 A**, indicating a surface texture or material specification.
- Top Center:** A dimension line with arrows pointing to the top surface, labeled **59.3 ± 0.5**.
- Top Right:** A box containing the text **A**, indicating a section line or material specification.
- Center:** Two cross-hatched rectangular areas representing internal features, each labeled **284153 PA**.
- Left Side:** A dimension line with arrows pointing to the left side, labeled **398210**.
- Right Side:** A dimension line with arrows pointing to the right side, labeled **398200**.
- Bottom Center:** A box containing the text **0.4** and a symbol for a surface texture or material specification.
- Bottom:** A dimension line with arrows pointing to the bottom surface, labeled **284153 PA**.

A diagram showing a 2x2 grid of nodes. The nodes are labeled A3 (top-left), A1 (top-middle), F1 (top-right), A4 (bottom-left), A2 (bottom-middle), and F2 (bottom-right). Two square blocks labeled 'SA' are positioned between the top and bottom rows, one between A3 and A4, and one between A1 and A2. The nodes are connected by horizontal and vertical lines.
