

Technical drawing of a cross-section of a mechanical assembly. The drawing shows an E-Profil (extruded profile) on the left and an I-Profil (I-beam) on the right, joined by a VL2 (vertical plate) and a VL1 (horizontal plate). The total width is  $103.3 \pm 0.5$  mm. The height of the I-Profil is 48 mm, and the height of the VL2 is 21 mm. The width of the VL1 is  $70 \pm 0.4$  mm. The drawing includes various dimension lines, tolerances, and a section line symbol (X).
