

Technical drawing of a mechanical assembly. The drawing shows a cross-section of a component with a central rectangular feature. The central feature is labeled with the part number 245307PA. The overall width of the assembly is dimensioned as 90 ± 0.5. The central feature has a width of 245313 PA. The drawing includes a tolerance of 0.5 A and a tolerance of 0.4. The drawing is labeled with the part number 345020 on the left and 345120 on the right.

A diagram showing a 2x3 grid of nodes. The top row nodes are labeled A3, A1, and F1 from left to right. The bottom row nodes are labeled A4, A2, and F2 from left to right. Each node is represented by a circle with a cross inside. Horizontal and vertical dashed lines connect the nodes in a grid pattern.
