

The technical drawing consists of three parts:

- Left View:** A side elevation of a machine. It features a large, angled housing on the left, a central cylindrical component with a cross-hatched section, and a base with mounting feet.
- Top View (Isomet 3):** A plan view showing a rectangular layout of points. The points are arranged in two rows and three columns, labeled A3, A1, F1 in the top row and A4, A2, F2 in the bottom row. Dashed lines connect the points in rows and columns. An arrow labeled "Durchlauf-richtung" (Direction of travel) points from right to left.
- Bottom View (Isomet 4/5):** A plan view showing a sequence of points numbered 1 through 14. The points are arranged in two rows. The top row has points 14, 13, 12, 11, 10, 9 from left to right. The bottom row has points 8, 7, 6, 5, 4, 3, 2, 1 from left to right. Vertical lines connect points 14-13, 12-11, 10-9, 8-7, 6-5, and 4-3. A legend indicates that a solid black dot represents the "Andruckwalze" (Pressure roller).
