

The technical drawing consists of three parts:

- Left View:** A side elevation of a machine. It features a large, angled housing on the left, a central cylindrical component with a textured surface, and a base with mounting feet. A vertical dashed line indicates a section cut.
- Top View (Isomet 3):** A plan view of the machine's base. It shows a rectangular layout with six circular features labeled A1, A2, A3, A4, F1, and F2. A red arrow labeled "Durchlauf-richtung" (direction of travel) points from right to left.
- Bottom View (Isomet 4/5):** A plan view of the machine's base, showing a different layout of features. It includes a horizontal scale with numbers 1 through 14. A legend indicates that a black dot represents the "Andruckwalze" (pressure roller). A note at the bottom states: "(Pos. 8 u. 14 nur im Isomet 4)".
